

Tracy Garrett

September 2007 ~ Vol. 1, Issue 5

13 Days!

The countdown has begun. Only thirteen days until *TOUCH OF TEXAS* hits the shelves on October 2! Do me a favor: when you spot it, take a photo of yourself with the book and email the photo to me, along with the name of the store where you found it. I'll post the pictures on my website and one lucky photographer will **WIN** a special *TOUCH OF TEXAS* Treasure Chest.

The reviews for *TOUCH OF TEXAS* are wonderful. The latest:

"Garrett's debut is a tender story about two people who don't belong anywhere and find out that belonging to each other is all they need. The characters' growth and strong secondary characters who move the story along add to this well-written entertaining western." 4 Stars ~ Romantic Times Book Reviews
