

August 2007 ~ Vol. 1, Issue 4

Greetings!

Only six more weeks until *TOUCH OF TEXAS* is released! Time to mark your calendars for October 2, 2007, and visit your local bookstore and ask if they have pre-ordered their copies. If they ask for the ISBN, it can be found on my website, [www.tracygarrett.com](http://www.tracygarrett.com), on the Books page.

The reviews are beginning to come in. The first one on the web is a **10** from Romance Designs' Historical Romance Reviewers. "*Tracy Garrett's debut western bursts on the scene with a fast paced and edgy story of a man who believes he is better off alone, and the woman who can't help but love him.*" Read the complete review: [TOUCH OF TEXAS Review](#)"

**Coffee Time Romance** gave *TOUCH OF TEXAS 4 Cups*: "*Touch of Texas is a riveting read that held me fascinated. Tracy Garrett definitely knows her history in this rich tale... Ms. Garrett delights the reader with some twists and turns and an undeniable attraction that entices.*" The complete review will be up on their site the first of October.

My first two book signings are scheduled (that is such fun to say!):

October 6 – Barnes & Noble, North Richland Hills, Texas – 2:00-4:00p.m.  
October 20 – Stonecrest Book & Toy, Osage Beach, Missouri – 10:00a.m.-2:00p.m.

If you live near either, please stop in and say hi! If not, I'm working on scheduling others.

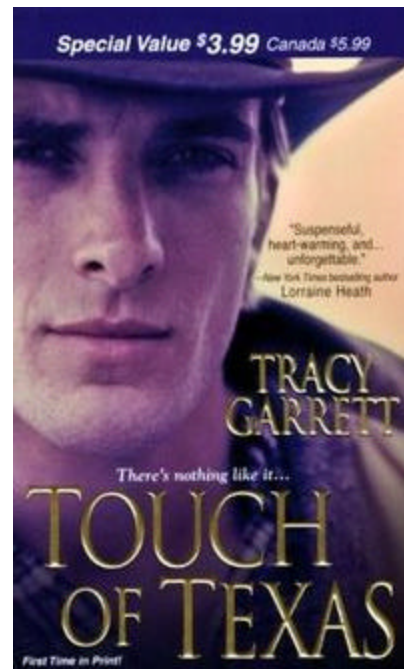

Also, I'm hosting a table at the second annual **Buns & Roses Romance Tea for Literacy** will be held on October 14 in Richardson, Texas. The tea is hosted by the Richardson Adult Literacy Center and the Richardson Public Library, sponsored by **FreshFiction**, and all proceeds benefit Richardson literacy programs. Join us for an afternoon of laughter, conversation and romance.

My **August contest is underway on Fresh Fiction**. You can **sign up** for a chance to win a "touch" of Texas and some fun surprises.

Tell all your friends they can pre-order **TOUCH OF TEXAS** at **Amazon.com**. And feel free to share this news letter with your friends, neighbors and family. Visit my website, [www.tracygarrett.com](http://www.tracygarrett.com). I'm putting up new stuff all the time.

See you next month!  
Tracy
